Adelsheim 2010 Auxerrois,  
Ribbon Ridge

PORTLAND MONTHLY

#8

*Oregon's 50 Best Wines (Sept. 2011)*

*(Best Buy) David Adelsheim imported Oregon's first vines of Auxerrois (pronounced oak-sair-wah) in the late '70s, but the varietal remains relatively unknown despite its success in Oregon's cool soils. Bursting with scents of orange blossom, tropical fruit flavors, and bright acidity, this refreshing wine will pair perfectly with crab salad, ceviche, or cured salmon.*
