

2003 CAITLIN'S RESERVE CHARDONNAY – *Media Reviews*

Robert Parker's Wine Advocate, June 30, 2006, Issue #165

91 Almonds, creamy butter, toast, spices, and minerals make up the aromatic profile of the 2003 Chardonnay Caitlin's Reserve. A pretty, concentrated, medium-bodied wine of impressive richness and freshness, it is filled with fresh hazelnuts, minerals, as well as pears. Projected maturity: now-2010. -Pierre Antoine-Rovani
